Access free COVID-19 and flu at-home tests and telehealth care.

Need at-home COVID-19 / flu tests?

Anyone who is uninsured or enrolled in Medicaid, Medicare or VA / IHS healthcare is eligible to receive free at-home COVID/flu tests.

If you start to have symptoms, these tests can determine if you have COVID-19 or flu. If positive, you can access free telehealth care and treatment, if eligible.

Positive for COVID-19 or flu?

Regardless of insurance status, anyone who tests positive for COVID-19 or flu qualifies for free telehealth care. If prescribed, you may be able to access medication at no cost.
