

Pink Book Conference

This live, two-day course is intended for state, county, and regional immunization programs. The CDC speaker will provide an overview of vaccination principles, general best practices, immunization strategies, and specific information about vaccine-preventable diseases and the vaccines that prevent them.

**June 13
& June 14, 2023**

This event will be held at the Lansing Center from 8:00 a.m. to 5:00 p.m. on both days. A light breakfast and registration begin at 7:30 a.m.

Two-Day Conference

This FREE event Includes:

- Continuing Education Credits (CEs)
- Breakfast, Light Lunch and Afternoon Snack

Partial CE credit will not be given. Credits issued through CDC. More information will be available the first day of the conference.

Participants must attend both full days to receive conference CEs.
